Block Energy chair highlights 'nice, niche opportunity' for the company

Proactive London sits down with Block Energy PLC (LON:BLOE) chairman Philip Dimmock.

"I've been a lifetime in the oil industry, starting my career at BP and reservoir engineering and ended up managing oil fields within the company".

"Then I went into the independent sector, more on the exploration side, in Africa and various other countries".

"There is a nice, niche opportunity for a small, dynamic, technically-driven company ... you have a very good political environment, above ground is very easy, the challenge is below ground".

Company Synopsis:

Block Energy is an AIM-listed asset-backed revenue generative junior oil and gas company aiming to capitalise on first mover advantage to build the largest independent producer in Georgia, a proven but underdeveloped oil producing nation increasingly on the radar of the majors. Schlumberger, the world's largest oilfield services provider, recently acquired a strategic position in the country.
