EQTEC's David Palumbo updates on £10m institutional fundraise and development plans

EQTEC PLC's (LON:EQT) David Palumbo caught up with Proactive's Polly Middlehurst following their £10m fundraise earlier this month. He says the strong support for their first institutional-led raise was encouraging and he's welcoming the new oversight and discipline it will bring. Palumbo adds that the additional funds will allow them to accelerate project development during a time where they're seeing increasing demand for its waste gasification to energy technology.
